Declarations of interest (DPI) and other significant interest (OSI): a parish councillor who declares a DPI in relation to any item on the agenda will need to leave the meeting for the whole of that item and will not be able to speak or take part unless a relevant dispensation has been granted. A member who declares an OSI will be able to speak on the item as a member of the public, but will be required to remove him/herself to the public gallery before the debate, and to leave the meeting for the vote.
