**Minutes of Planning Committee meeting held at Dunkirk Village Hall on
7 July 2014**

Present: John Peto, Jeff Tutt, Sandra May, Paul Mellett
Louise Blackshaw (Clerk)

Declarations of Interest: None

1. **Apologies:** None.

2. **Planning Applications**

(a) Receive Decisions:

SW/14/0397 – Manor House & SW/13/1250 – New Bungalow. Verbal confirmation that these two applications were approved at the planning committee on 26 June had been obtained, however no formal notification had been received yet.

(b) Consider Applications: no new applications.

3. **Swale Local Plan Part 2: Gypsy and Travellers**

The results of the Consultation on site allocations had been reported to the Local Development Framework Panel. Jeff Tutt gave a summary of the proposals in the report which the LDF Panel had agreed to recommend. There still seemed to be discrepancy with the numbers of pitches and the identified need for the next 5 years.

4. **Enforcement Cases**

Jeff Tutt had put together additional information including Google Earth images showing how some of the sites had expanded over the years. He had compared this against the planning consents obtained for each site and highlighted where it was believed that development had not been approved.

The clerk will put this together and send to Planning Enforcement to investigate further.

There are some cases which had previously been discussed where additional evidence had not been found. These will be monitored and any further details notified to Planning Enforcement when they arise.

Date of Next meeting: Monday 21 July - Full Council Meeting
Monday 4 August – Planning Committee
