2. **SW/14/0393 RAF Mast - Data storage facility & permanent historical exhibition**

Notification had been received that an appeal has been lodged with the Planning Inspectorate due to the application not being determined by SBC within the statutory period. The appeal will be determined on the basis of written representations. Any representations previously submitted will automatically be passed to the Inspector. Any additional comments to be submitted in writing by 17 September.

3. **Planning Applications for Consideration**

14/500286/LBC + 14/500285/FULL Former RAF Mast - 6 dipole antennae + 1 satellite dish.

The agent for the site had previously written stating that subject to the previous application for 3 dishes being approved, then the mast would be at full capacity. The clerk had queried this but unfortunately had not received a response. It was agreed to object to the application stating this point and the health and safety aspect.

The appearance of the grounds and ongoing problems with brambles etc growing into neighbouring gardens was raised. The contact details for the owner of the site which affected neighbours can write to were circulated.

4. **Receive Decisions**

Dunkirk Road South SW/14/0541: Refused

Forewood SW/14/0225: Approved. Temporary consent for 3 years (expires 30/8/17). Non residential with restrictions on working hours and equipment used.

Worcesters SW/14/0379: Approved. A Unilateral Undertaking between the owners and SBC had been agreed. This deed includes covenants that the land and dwelling form a single planning unit and cannot be let or sold separately.

5. **Willow Bank, Horselees Road**

Consent had been obtained for a single storey extension (porch) and works are now taking place, however weatherboarding is being erected to the front of the existing house whereas the details in the planning application show boarding on the porch only. The clerk to inform SBC.
