14/500285/FULL & 14/500286/LBC – RAF Mast - Ongoing. A decision likely to be made now that strengthening works has been approved.

14/504246/OUT (APPEAL) - Outline application for the erection of a detached single storey dwelling Land Adjoining The Firs - additional comments to be sent to Inspectorate by 13 April.

4. Old Builders Yard

Part of this application site was on KCC land - it had been recently found out that KCC were not prepared to sell the piece of land which may be an issue for the developer when he starts to build on the site. Swale Borough Council were aware of this when they approved the application, however it is a problem the developer to sort out with KCC.
