1. **Apologies:** None

2. **Notification of additional agenda items:** Draw Road & Manor House/Orchard Gate

3. **Receive Decisions:** None.

4. **Consider Applications**

16/502606/FULL - Courtenay House London Road - Insertion of two replacement windows. The plans were reviewed and it was agreed to record no objection to the proposal.

5. **Non Material Amendments**

16/503685/NMAMD - Brotherhood Wood-Non material amendment for planning permission SW/13/0137. It was reported that the proposed changes have already been built. It was agreed to record a formal objection stating that the dormers are out of scale and out of keeping with the building.

6. **Traffic Regulation Order – 30mph speed limit, Boughton Hill**

The parish council had agreed in principle to support the scheme (in January 2015) which was instigated by Boughton Parish Council. At that time, an estimated cost had been given as £1k per parish. The scheme has now been agreed and the consultation period ended, and a contribution requested by KCC of £500. It was proposed, seconded and unanimously agreed to make the payment of £500 as Dunkirk Parish Council's contribution towards the scheme. It was noted that Boughton Parish Council would also be making a contribution of £500.

7. **Any Other Business**

Draw Road, Berkeley Close – it was reported that the footpath was still obstructed by hedge/tree cuttings. The KCC PROW officer had advised it could be reported as fly tipping. It was agreed to contact the nearby resident to ask whether he had any knowledge of where the cuttings had come from.

Manor House/Orchard Gate development – it was reported that one of the residents was in the process of removing his part of the hedge and replacing it with an alternative. It was suggested that the parish council may want to consider getting the hedge cut and shaped later in the year as a one-off, then leaving the residents to maintain it. To be considered again at a later date.
