17/500313/OUT - Land North of Canterbury Road.
Refused.

4. **Consider Applications**

There were no new applications to consider.

5. **Update on Applications**

We are awaiting decisions on all other outstanding applications.

JP reported that he had been invited to Brotherhood Wood. Mr. Robb wished the Parish Council to support his application. JP told him we could not do so as he had not complied with previous conditions and the site looked larger. He noted the cut trees covered by TPO's.

Comments have been submitted to the Inspectorate on outstanding appeals.

6. **Matters not on Agenda (for information only)**

Manhole cover in the road outside the Red Lion public house is broken.
JT to report to Kent Highways (Mr. G. Gibb).

Sign on junction of Canterbury Road - works order in place to renew.

Broken chevron markers on the left hand side (Canterbury bound) are also to be replaced.

The gate has been installed leading to the playing field. Daniel was thanked for his help. This also entailed moving the dog waste bin, which was not included in the work schedule. It was agreed that Council should pay an additional amount for the moving of the bin.

Parishioners have also mentioned that the bin is being used an awful lot now and it appears to fill quickly. JP/JT to contact Swale about a larger bin / increased collections.

There being no further business the meeting closed at 8.15pm

Date of Next meeting: Monday 17 July – Full Council
 Monday 7 Aug – Planning Committee
